

Policy Review

Adopted: 4/23/25

Next Review Due: 4/23/30

The Board of Directors shall review all policies adopted every 5 years. Specific policies, when adopted or revised may have more frequent review schedules established, but must not be reviewed less frequently than outlined above.

Procedure

The secretary of the organization is responsible for identifying policies needing review and bringing those policies to the attention of the Board of Directors as part of a regular meeting agenda.

The board may establish or assign specific policy reviews to committees as appropriate and efficient. Such committees shall make recommendations for revision to the Board of Directors for consideration or report that no revisions are recommended.
